Studio Etiquette:

- Dream Dance Fitness strives to provide a safe, friendly, no judgment environment. We have a zero tolerance policy for bullying and disrespectful behavior towards our staff and fellow students and their personal space and belongings. If such behavior occurs, you will be asked to leave the premise immediately and will be banned from attending classes at Dream Dance Fitness.
- All environments need to be hygienic and safe for employees and students. It is very hard to approach a student about a lack of cleanliness or a foul body odor. However, you're here to get healthy, strong and fit which means you're going to sweat. Strong odors are a terrible distraction and an embarrassment for the student, should a classmate be insensitive and say something out loud. To avoid these problems, please be sure all dancewear is laundered after each wearing, and underwear is to be worn at all times; hair should be clean and pulled back properly, and deodorant should be a consideration for all students. Please, NO PERFUME prior to class as this will cause odor, as well as aggravate allergies of other students.
- We do not allow people to sit in and watch classes. If you attend a class, you are expected to participate.

** For classes of 4 or more, poles are shared

**Classes are subjected to cancellation or change of time, instructor or substitution based on management discretion.
